**Subject: Meat Packing Plant in Muscogee Creek Nation**

Greetings,

We have a new meat packing plant in the Muscogee Nation that is on Trust land. They did not get any permits from us (that I am aware of) and will have industrial impoundments. To whom do we need to refer this to at EPA for permitting/possible enforcement(Someone in Water?)? We have an environmental law group making inquiries and concerned neighbors. Any guidance you could give as to whom to contact would be great.

Thanks,

Trevor
